**But seek first his kingdom and his righteousness, and all these things will be given to you as well.
The Book of Matthew 6:33**

Our goal is to create a family friendly environment for water lovers to enjoy the underwater world, lead poor communities to a sustainable environment and connect with people that love to serve.

Why join W.C.S.D.O.?

1. Do you want to experience God’s Creation underwater with divers?
2. Do you want to bring hope and joy to those who need it?
3. Do you want to have fun and share the same love for the underwater world and mission work with people in your local area?

If you have answered “Yes” to the three questions above then this is the perfect group for you. We want to experience God’s creation in a new way, be filled by all He has for us and be willing to give back through our service in the world and our community. We want to fulfill what God has for our lives. We believe that God wants to work through us.

Join us on this mission to let God be who He says He is in the Book of Romans 8:28

“For we know ALL things are for the good of those who love God and are called according to His purpose”

SCUBA DIVING

Again and again do we get overwhelmed by the beauty and mystery of the underwater world. It is absolutely breathtaking. There are thousands of fish of every shape, size and color. Just when you think you have seen the most beautiful creation, here comes another one. It's endless.

"For the sea is His, and He made it;

And His hands formed the dry land." Psalm 95:5

It is humbling to know that God was the one who created the oceans. Our goal is to experience God through the underwater adventures. It is exhilarating, even worshipful, to be immersed in a God-made world normally beyond our reach.

MISSION WORK

W. C. S. D. O. is passionate to work with people, especially with those who are in great need. Through mission trips we want to help those impoverished. Everybody has a unique individual calling. W.C.S.D.O. wants to combine those callings and talents to restore, rebuild, enlighten and excite a world that is devoid of joy, salvation, love, future and hope. We want to bring God's love and His promises to people in hopelessness. It is our joy to live out the gifts of the Holy Spirit (1 Cor. 12:4-11).

We believe it is a privilege to give!
It is our desire to empower and rebuild poor communities around the world
Matthew 25:

"Lord, when did I give you water? When did I feed you? When did I heal you? Whatever you did for one of the least of these, you did for me."

It is good to hold a broken child that needs love, feed the ones who haven't eaten for days or even cry together on a hot night, or half finish a roof in a strange city, when the Gospel moves.

LOCAL CHAPTERS

The local chapter division of our ministry is to serve our communities. In the Bible, it tells us to go out into the world to reach others with the Good News of the Gospel. Yet we sometimes mistake that as ONLY going to "other" parts of the world. This is why we established local chapters. W. C. S. D. O. members will form their own chapter of local mission groups. They will serve people in need in their communities with a canned food drive or leading prayer teams, helping elderly people, organize career development and counseling groups etc. Local chapters are comprised of scuba divers or nondivers who enjoy the underwater world. We are bringing together independent business leaders, students, economic development professionals, social innovators to rebuild local communities. Our love is based on people not the project and most of all it is about God not us.

Acts 20:35:

In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, It is more blessed to give than to receive.

Join us to help the ones in need in our communities and make disciples out of them so they can continue the good work and share the Gosple.
